<b>Public Utilities Code</b>	<b>\$1,000</b>
<b>Revenue and Taxation Code</b>	<b>\$250</b>
<b>Streets and Highways Code</b>	<b>\$100</b>
<b>Unemployment Insurance Code</b>	<b>\$250</b>

### **Unlisted Misdemeanors**

For all offenses chargeable as straight misdemeanors for which there is no uniform bail and which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$500**, except that if the minimum fine for the offense (not including any penalty assessments) is greater than **\$500**, then the bail is the amount of the minimum fine.

For all offenses chargeable either as a felony or a misdemeanor ("wobblers") for which there is no uniform bail and which are not otherwise provided for in this schedule, the bail is **\$750** (not including any penalty assessments), except that if the minimum fine is greater than **\$750**, then the bail is the amount of the minimum fine.

All violations of County ordinances constituting misdemeanors for which no provision is made in this schedule shall have bail of **\$250**. All misdemeanor violations of the California Code of Regulations for which no provision is made shall have bail of **\$125**, except that if the minimum fine for the offense (not including any penalty assessments) is greater than **\$125**, then the bail is the amount of the minimum fine.

### **Unlisted Infractions**

For all violations of state statutes, provisions of the California Code of Regulations or County ordinances constituting infractions, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$35**, except that if the minimum fine is greater than **\$35**, the bail shall be the amount of the minimum fine.

## GENERAL PROVISIONS (continued)

### Arrest Without Warrant

When a defendant is arrested without a warrant and charged with more than one misdemeanor offense (other than Vehicle Code violations), the defendant shall be entitled to his release upon posting bail in a sum equal to the highest bail fixed for any one single offense with which he may be charged.

### Penalties

"P." designates the state penalty, county penalty or any additional penalty required by law. When an offense listed in this schedule requires a court appearance ("Ct."), the assessment shall not be added to the bail amount. Upon conviction, however, the assessment shall be added to the fine imposed.

As provided by Penal Code § 1464, Government Code § 70372(a) as modified by Government Code § 70375(b), Government Code § 76000(e), and Government Code § 76104.6, an additional assessment of **\$21** is to be added to "every ten dollars (**\$10**) or fraction thereof, upon every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses, including all offenses, except parking offenses, as defined in subdivision (i) of section 1463, involving a violation of a section of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code."

Government Code § 70372(a) requires imposition of a state court construction penalty for every fine, penalty, or forfeiture collected by the courts for criminal offenses, including, but not limited to, all offenses, except parking offenses, as defined in Penal Code § 1463 and violations of the Fish and Game Code and Vehicle Code or local ordinances adopted pursuant to the Vehicle Code. Section 70372 specifies a maximum court construction penalty of \$5 for every \$10, or fraction thereof, of the criminal fine, penalty, or forfeiture. Government Code § 70375(b) specifies that the \$5 court construction amount authorized by section 70372(a) is reduced by the amount, determined by the County Board of Supervisors, collected for deposit into the local Courthouse Construction Fund established pursuant to Government Code § 76100. A court construction penalty of **\$3** for every \$10 of the base fine is used to calculate that penalty and the total bail.

Penal Code § 1464(b) provides that in the case of multiple offenses, the amount of "additional penalties" is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the "additional penalties" shall be reduced in proportion to the amount of suspension.

Penal Code § 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to **20** percent of the base fine used to calculate the state penalty assessment as specified in Penal Code § 1464(a). Penal Code § 1465.7(b) requires that the surcharge be imposed in addition to the state penalty assessment pursuant to Penal Code § 1464 and not be included in the base fine used to calculate the state penalty assessment as specified in section 1464.

Penal Code § 1465.8 requires imposition of an additional fee of twenty dollars (**\$20**) for court security on each citation with a conviction.

### Parking

An "additional penalty" of **\$5** shall be included in the total penalty for a parking offense (Government Code § 76000).

### Abbreviations

"Ct." designates "court appearance."

"I" designates "infraction."

"M" designates "misdemeanor."

"P." designates "penalty." See above for further information on penalties.

### Footnotes

Footnotes are at the end of the document. Unless otherwise specified, a footnote applies to every bail indicated for a section.

## GENERAL INFORMATION

### Unlisted Misdemeanors

For all violations of the State Vehicle Code or Title 15 of the Los Angeles County Code constituting misdemeanors, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$300**, except, if the minimum fine is greater than **\$300**, the bail shall be the amount of the minimum fine.

### Unlisted Infractions

For all unlisted Vehicle Code infractions, including unlisted subdivisions, the bail is the amount set for the general category of those offenses in the Uniform Traffic Bail and Penalty Schedule, except that if the minimum fine is greater than the amount indicated below, then bail is the amount of the minimum fine:

Category 1	<b>\$25</b>	Bicyclist, Motorized Scooter, Pedestrian, Pocket Bike, Vehicle Registration and Equipment Offenses
Category 2	<b>\$35</b>	Driver's License, Operation of Vehicle, and Size and Load Offenses
Category 3	<b>\$70</b>	Substance Abuse Infractions

For all violations of Title 15 of the Los Angeles County Code constituting infractions, which are not otherwise provided for in this schedule, including unlisted subdivisions, the bail is **\$35**, except that if the minimum fine is greater than **\$35**, the bail shall be the amount of the minimum fine.

### Arrest Without Warrant

When a defendant is arrested without a warrant for more than one misdemeanor offense, the defendant shall be entitled to his release upon posting bail in the sum equal to the highest bail fixed for any one single offense with which he may be charged.

### Prior Offenses

The indicated bail/ penalty is for one Vehicle Code moving violation that is assessed "points" on a current arrest or citation. The penalty for a Vehicle Code offense shall be enhanced by **\$10** for each "prior" conviction. For calculating enhancement, both the current and "prior" offense must be a moving violation for which a "point" has been assigned per Vehicle Code §§ 12810 or 12810.2. Regardless of the number of moving violation convictions on a citation only one "prior" per citation shall be counted in determining the enhancement of the current offense.

An offense for which one or more points have been assigned is identified by an exclamation mark "!" in the "P" (penalties) column.

In the case of an owner responsibility citation (see Vehicle Code § 40001(a, b)), the "prior" must relate to the particular vehicle for which the new offense is charged.

### Bail on Accident Cases

Bail shall be set as for underlying violations.

### Penalties Column

"P." designates the state penalty, county penalty or additional penalty required by law. When an offense listed in this schedule requires a court appearance ("Ct."), the additional penalty shall not be added to the bail amount. Upon conviction, however, the additional penalty shall be added to the fine imposed.

For Vehicle Code offenses, the Penalties Column includes the symbols designating point offenses ("!") and offenses which may be charged as occurring either in a highway construction or maintenance area ("⚡").

## VEHICLE CODE

### Parking

An "additional penalty" of **\$5** shall be included in the total penalty for a parking offense (Government Code § 76000).

### Court Appearances

With the exception of juveniles under age 18, there shall be no mandatory court appearance required for any infraction of the California Vehicle Code punishable by fine only, unless a statutory driver's license restriction, suspension, or revocation is authorized by the Vehicle Code. This does not apply to violations of local ordinances based on Vehicle Code sections.

### Abbreviations and Symbols

"**Ct.**" designates "court appearance."

"**I**" designates "infraction."

"**M**" designates "misdemeanor."

"**P**" designates "penalty."

"**E. P.C.**" designates eligible for "proof of correction" or "compliance." When the citation indicates that it is issued in accordance with Vehicle Code § 40610(b) and proof of correction is submitted within the time limitation specified in the citation or any continuance granted, the violation shall be dismissed as provided for in Vehicle Code § 40522. Vehicle Code § 40611 authorizes courts to collect a \$10 transaction fee for each proof of correction case. No bail amount shall be collected.

"**!**" designates a Vehicle Code offense for which one or more points have been assigned pursuant to Vehicle Code §§ 12810 and 12810.2.

"**+**" designates those offenses which may be charged as highway construction or maintenance area offenses (Vehicle Code § 42009).

### Highway Construction or Maintenance Area Offenses (V.C. § 42009)

**Infractions** - Bail shall be increased by **\$35**, with the exception of speeding violations listed in the Speed Violations Bail Chart: Applicable Violations. Bail for speeding violations is indicated on the chart entitled "Increased Bail Amounts for Violations in Highway Construction Zones (Section 42009)."

**Misdemeanors** - Bail shall be **doubled** for violations of the following statutes: sections 23103(a,b), 23104(a,b), 23109(a-d), 23152(a-d), 23153, 23222(b), and 23224(a,b). (Uniform Traffic Infraction Bail and Penalty Schedule, January, 2006).

### Evidence of Financial Responsibility

Pursuant to subdivision (e) of section 16028, upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code § 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating subdivision (a) of Vehicle Code § 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code § 40611 authorizes courts to collect a **\$10** transaction fee for each case that is dismissed pursuant to subdivision (e) of section 16028.
